1	Min. Experience	Respected Sir/Madam, I have more than 11 years of post qualification experience in the field of mass communication. 8 years of experience in Dainik Bhaskar Digital, where I was working as a Senior Reporter and my work areas were reporting, handling social media, branding and public relations for our newspaper, and as this is the essential part of mass communication programs, so, I am requesting you to please consider this experience also as an essential experience for the post of SMM - IEC & Branding. The documents submitted by the applicant confirms his work experience in 'DB Digital' which is a private organization/company/institution. So as per eligibility criteria, the claim of essential experience do not get validated from the document submitted by the candidate i.e. "Minimum 3 years post-qualification work experience with central / state Govt. / Societies and Trusts having ownership of state or Central Govt. / PSUs / International Developmental Organizations/Institutions (having presence in more than one country) like World Bank, UNICEF, UNEP, UNDP, WWF, BMGF, DFID, IPE Global/ADB etc. in planning and implementing IEC strategies and program/ Public relations / strengthening capacity of institutions to design / develop IEC / mass communication programs".

Hence, the applicant's claim of essential and relevant experience has not been found considerable for the position of "Mission Manager IEC & BRANDING".
